

WEEK 2 : FRONTEND SKELETON SCREENSHOTS

Project Name: AI-Powered Crop Advisory Chatbot (Prototype)

Intern Name: Vennapu Sree Sai Chandra Harsha

Intern ID: TBI-26100998

1. DESKTOP VIEW

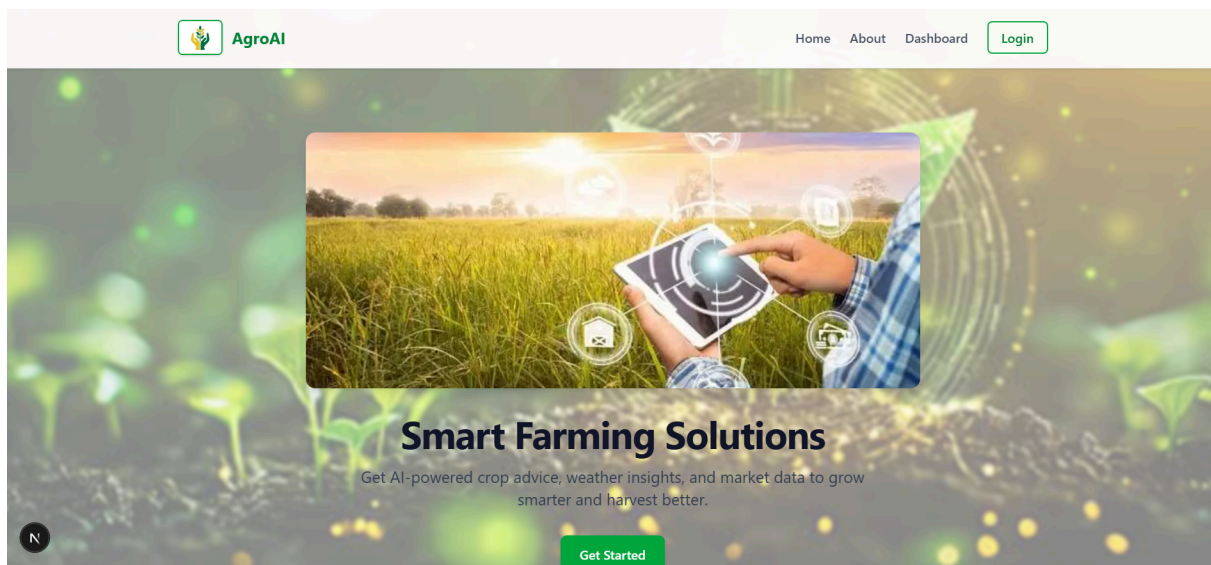

Fig 1.1: Desktop Home View

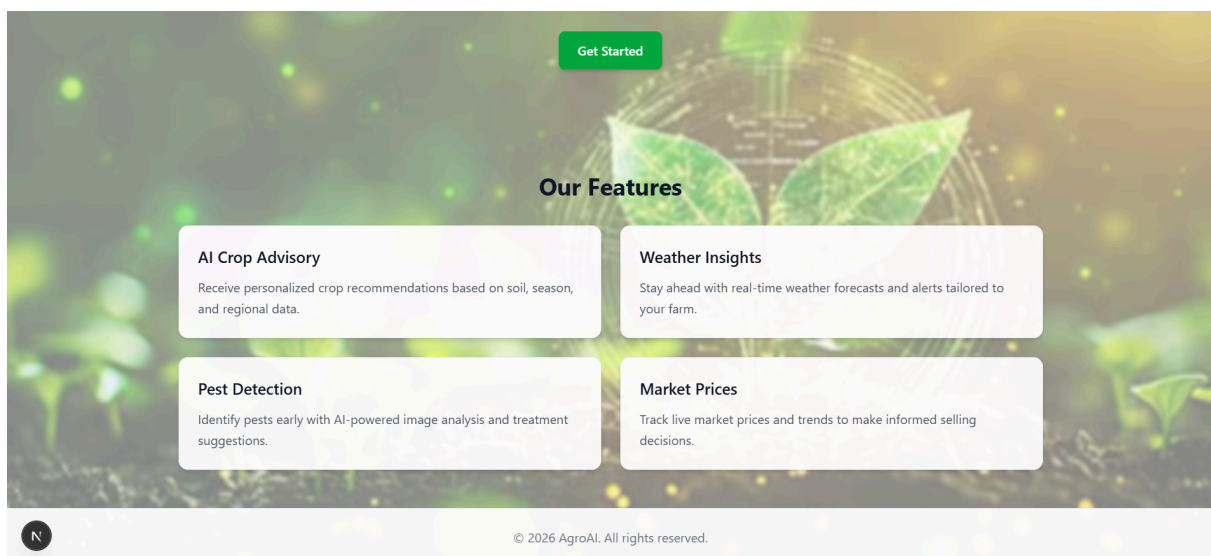

Fig 1.2 : Desktop Main Features

Description: Full desktop view of the AgroAI landing page featuring the custom-bordered responsive Navbar, Hero section, and reusable grid Cards displaying core application features.

2. MOBILE VIEW

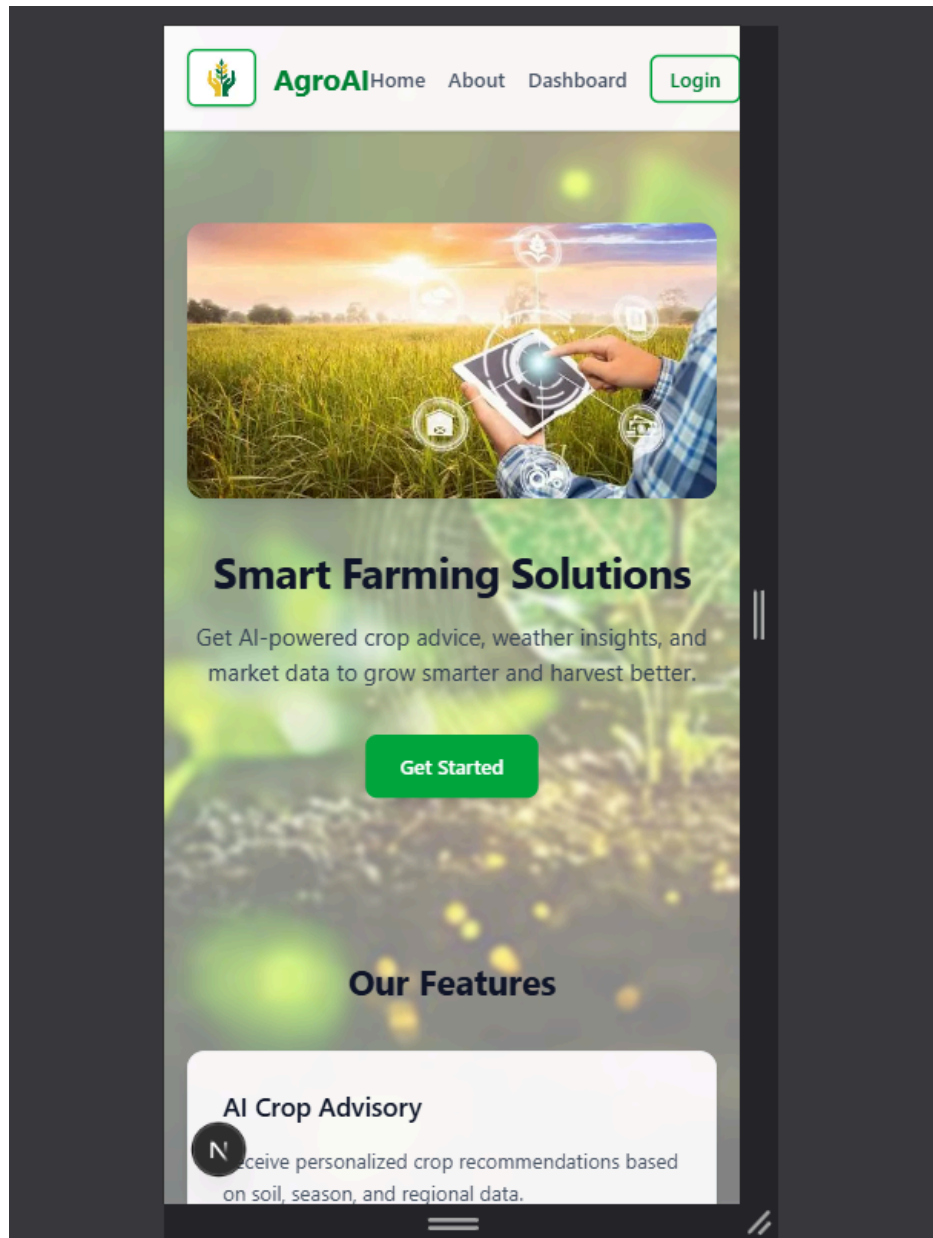

Fig 2.1 : Mobile Home View

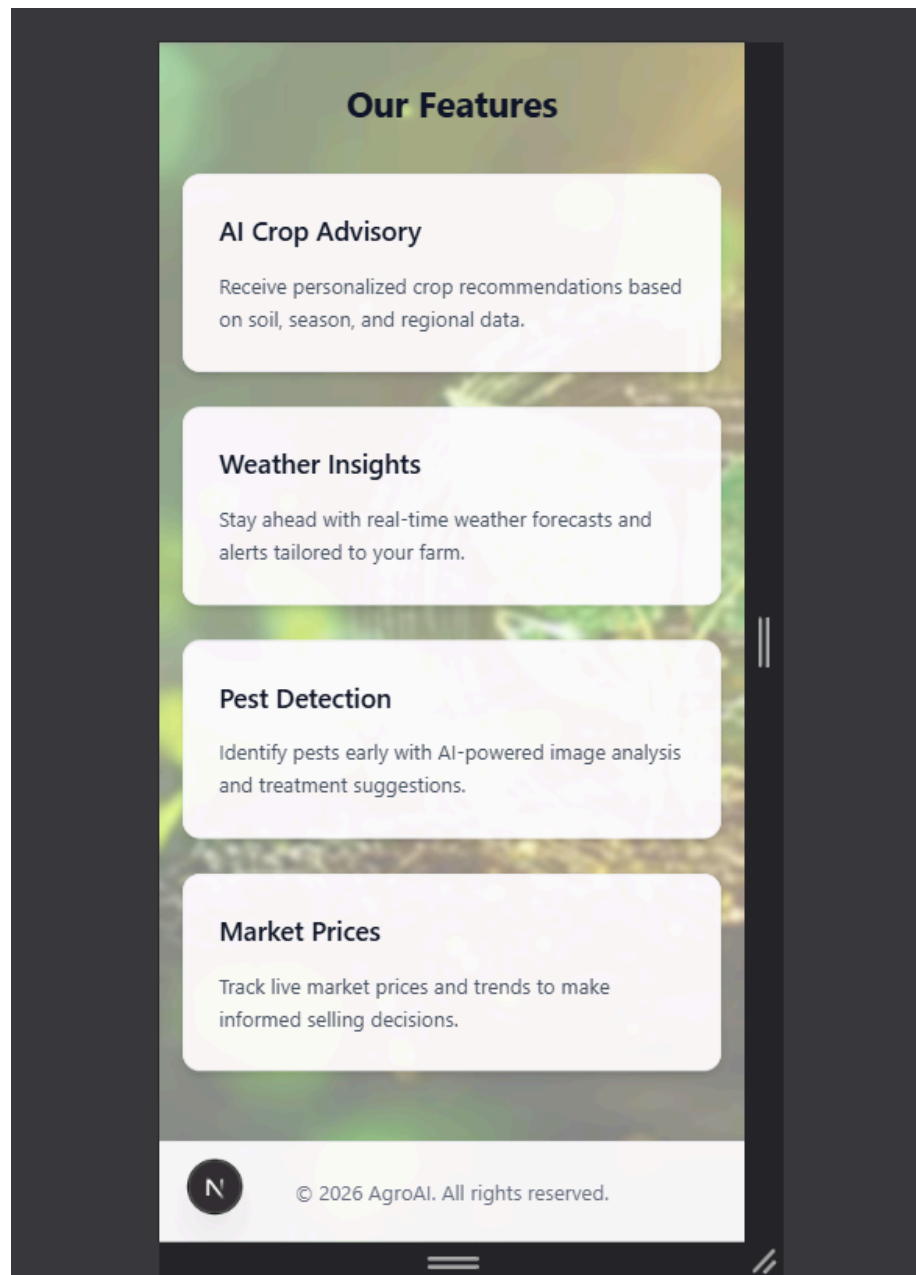

Fig 2.2 : Mobile Main Features

Description: Mobile viewport execution simulated via Chrome DevTools showcasing proper content stacking, text wrapping, and zero horizontal overflow scrolling.

3. DASHBOARD VIEW

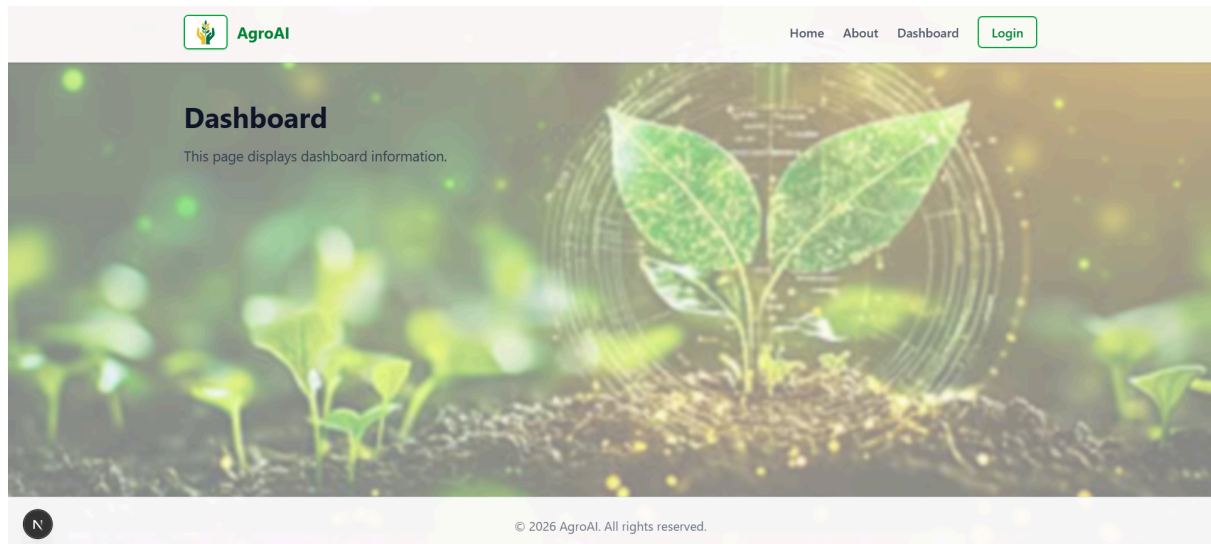

Fig 3 : Dashboard Home View

Description: The persistent layout architecture demonstrating that navigating to the dashboard route retains the global header and footer branding while loading placeholder text.
